

## PREMIUM ACCOUNT SETUP

### 3-Step Instruction:

1.

#### **Download the app**

Open Safari on the host/speaker iPhone you would like to use, visit [conferencecaptioning.com/app](http://conferencecaptioning.com/app) and download the app.

2.

#### **Activate Premium Account**

Open the app and Tap on the image on the first screen 10 times. In the popup, input the case-sensitive Stream Name provided by us, & press OK

3.

#### **Start Streaming!**

Go to Settings > Display & Brightness > Auto-Lock -> Never. Start streaming using the stream name and share the streaming url provided with attendees
